AMERICAN RECOVERY AND REINVESTMENT ACT OF 2009
SECTION 1511 CERTIFICATION

Inland Empire Utilities Agency
Greater Prado Basin Cleanup and Restoration Project
Project No.: C-06-6959-110
Agreement No.: 08-306-550

The authorized representative of the State Water Resources Control Board hereby certifies, and/or affirms that the Greater Prado Basin Cleanup and Restoration Project (Project) has received the full review and vetting required by law and that such representative accepts responsibility that the Project is an appropriate use of taxpayer dollars. Subject to the provisions of the Financing Agreement, the following general description is provided in order to comply with Section 1511 of American Recovery and Reinvestment Act of 2009 (ARRA):

- Project description: The Project, commonly known as the Greater Prado Basin Cleanup and Restoration Project, generally consists of improving water quality by cleanup of past illegal dumping at five locations and implementing effective strategies and tactics to reduce illegal dumping and unauthorized activities such as installing fencing, video surveillance, community outreach and coordination with law enforcement.

- Estimated total cost of the Project: The estimated reasonable cost of the total Project, including associated planning and design costs is five hundred thousand dollars and no cents ($500,000).

- Type of assistance: full principal forgiveness.

- Estimated amount of ARRA funds to be used: two hundred ninety-eight thousand, two hundred forty-four dollars and no cents ($298,244).
